PUBLIC NOTICE

January 28, 2021

Notice is hereby given that application has been made on behalf of the Dracut Water Supply District (“the District”) for the approval of the Massachusetts Department of Environmental Protection (“MassDEP”) for the District to acquire certain lands or rights in lands in Tyngsborough, Massachusetts, for public water supply protection purposes. The District proposes the acquisition of a 1.73 acre portion of a parcel that has an area of approximately 3.25 acres. The parcel is located at 166 Frost Road in Tyngsborough, and is referenced by the Town of Tyngsborough Assessors Office as Parcel 18-6.

The land in question is within MassDEP’s designated Zone II Wellhead Protection Area for the District’s Frost Road Wells, and is sought in connection with the proposed construction of a water treatment plant to remove naturally occurring manganese from the well water.

In response to said application the MassDEP acting under the provisions of General Laws, Chapter 40, Section 39B and Section 41, as amended, and each and every other act thereto enabling, will hold a public hearing via Zoom on Thursday, February 18, 2021, beginning at 10 AM. The Zoom Meeting ID is: 882 5173 2796 Password: dracut

A plan showing the land in question is on file can be provided electronically by MassDEP upon request. Please send the request to James.Persky@mass.gov.

Comments pertaining to this matter may be made orally at the time of the hearing or submitted in writing via electronic mail at any time before 5:00 PM on Thursday, March 4, 2021, addressed to James.Persky@mass.gov.

By order of the Department of Environmental Protection.

Eric Worrall
Regional Director
